

Internship opportunities with New York State Government

The Intern Program provides college students the unique opportunity to work with State agencies to gain experience and a greater perspective of the professional world.

This program is the first of its kind to provide a **central location** for students with a wide range of interests to apply for internship opportunities within New York State government.

The program prepares students for careers in a wide array of occupational areas including but not limited to: public policy, legal specialties, budgeting, scientific research, human services, and contract management.

New York State Intern Program Eligibility

- Be a US Citizen or foreign national eligible to work in the United States
- Be 18 years of age or older
- Be currently attending a New York State college, university, or graduate program, or be a resident of New York State, attending a college, university, or graduate program outside of New York State
- Have completed a minimum of one (1) year as a student at a degree-granting two or four-year College or University (completion of one year's worth of academic credits over a more extended period of time may qualify part-time students for participation in the Student Intern Program); or a currently enrolled graduate student or accepted in a graduate degree program
- Have a minimum grade point average (GPA) of 2.0, or equivalent to a C

Intern Program Details
